

NATURE'S ESSENCE... Extracted From Forest Plants.

Nature's laws are perfect, but disease follows if these laws are not obeyed. Go straight to nature for the cure, to the forest; there are mysteries here that we can fathom for you. Take the bark of the wild-cherry tree, the root of mandrake, stone, Oregon grape root, queen's root, bloodroot and golden seal, make a scientific, non-alcoholic extract of them with just the right proportions and you have

Doctor Pierce's Golden Medical Discovery.

It took Dr. Pierce, with the assistance of two learned chemists, eight years of hard work experimenting to make this pure glyceric extract and alternative of the greatest efficiency and without the use of a particle of alcohol.

Just the sort of remedy you need to make rich, red blood, and cure that lassitude and feeling of nerve exhaustion. Dr. Pierce's Golden Medical Discovery bears the stamp of PUBLIC APPROVAL and has sold more largely in the past forty years than any other blood purifier and stomach tonic.

"Some time ago I got out of health—my stomach seemed to be the seat of the trouble," writes Mr. J. C. WILLIAMS, of Belleville, Kans. "I commenced to doctor with all the doctors at home as well as with other specialists on stomach and digestive organs. None seemed to do any good—in fact, most of the medicines did me harm. Finally, I wrote to Dr. Pierce, Buffalo, N. Y., who replied, stating that I had liver complaint with indigestion and constipation, and advised Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets'." "The 'Discovery' and 'Pleasant Pellets' have 'put me on my feet again'—I cannot be just what I needed. I could not have recovered without them."

Dr. Pierce's Pleasant Pellets are for liver ills.

DR. DOLLE'S MESSAGE TO MEN YOU CAN BE CURED BY

Why Take Treatment That Is Doing You No Good, When a Few Days under the care of Dr. Dolle Will Show You How Easy It Is to Cure These Diseases When the Proper Treatment Is Administered.

Have you treated for months and years, and been disappointed until you think that you can never be cured? You, no doubt, all this time have been treated by inexperienced doctors who had neither sufficient knowledge nor experience to know how to cure you.

These are the diseases of which I have cured so many, justly giving me the reputation for cures of which I am so proud.

Blood Diseases, Skin Diseases. I will give you treatment that will in a few days cure all rash, spots and every skin symptom. My treatment gets the poison out of the system instead of driving it in like ordinary treatments. I cure blood diseases and skin diseases so they cannot come back.

Varicocele, causing aching or pain in groin or back, Nervousness, Weakness, Loss of Vitality, Lack of Ambition—My one-treatment cure is what you should have and what you will have to be cured right. Only one visit is required. I do no cutting and you suffer no pain nor trouble. All signs disappear in a few days.

Nervous Troubles, Lost Vitality. My combined treatment for these troubles so common among those who have become weak and worn out, who have caused it by folly, dissipation and excesses, is remarkably good. No one believes how quickly it benefits until they have taken it. It overcomes weakness, nervousness, pain in back, lack of energy, ambition and strength—it's just the treatment I have found so effective in treating such diseases.

Kidney and Bladder Troubles are scientifically cured by me. My methods immediately benefit you, and the majority of cases I cure come from physicians and specialists who failed.

Piles, Fistulae—I can cure you so quickly and easily that you will be surprised. I will give you just the result and cure you are looking for without a surgical operation.

Acute Diseases—I itching, burning, strong drug store remedies seldom cure. My treatment stops every symptom and cures in a few days. It is scientific—that's the only sure way to be cured so it will not come back.

You can take my Treatment without a cost and pay me after I cure you. I know that I can give you new life, new hope, and can restore you back to health and happiness. I know that every man will pay after I have eliminated every trace of disease from his system. Microscopical and analytical urinalysis FREE. I have written a book that ought to be in the hands of every suffering man in this country. I will send you a copy, free, if you will write me at once the disease for which you desire treatment. Return 6 to 4; Sundays, 9 to 1 p. m. Evenings, 7 to 9 p. m. Monday, Wednesday and Saturday nights.

Pooled Crop Sold at Last.

The Burley Tobacco Society Executive Committee met in Lexington Tuesday and announced that the entire pooled holdings of the 1909 crop, amounting to 102,000,000 pounds, finally have been disposed of. The sales have been going on for two years at various markets. Over \$10,000,000 have been received for tobacco.

This will be distributed among a hundred thousand farmers in Indiana, Ohio and Kentucky. The old Burley Society now goes out of business as formerly constituted, and the new regime, takes hold under contracts which bind all producers in the association for ten years.

The bulk of this tobacco was sold on the Lexington, Louisville and Cincinnati markets. The final report that all of the pooled tobacco had been closed out was made by Committeeman Stuckey, who had supervision of the sales on the Cincinnati market, and was submitted to the board at its meeting here Tuesday.

It will take, however, several weeks to make a final settlement with all of the purchasers, who include practically all of the tobacco manufacturers of this country, including the American Tobacco Company, which got a large share of the tobacco.

As soon as this settlement is made it is announced that a final distribution of funds will be made to the growers who had tobacco in the pool.

Will Nominate For all Offices.

Discussing plans for the new third party which is being organized in Kentucky for the support of Col. Roosevelt's candidacy, Hon. Leslie Combs, who has been designated by Col. Roosevelt as his chief lieutenant in this State declared that a complete organization of the Progressive party would be made in Kentucky along permanent lines, and made the first public announcement of the fact that not only would Congressional candidates be put forward with the Roosevelt electors this fall in the Seventh, Eighth, Ninth, Tenth and Eleventh districts, but that a candidate would be selected for the Court of Appeals vacancy in the Seventh Appellate district, and that next year the plan of reorganization contemplate the nomination of candidates for all the offices county in what are now Republican counties.

Proportion of Games Won th Seventh.

In an article on baseball "fans" in the August American Magazine, Hugh S. Fullerton says:

"The custom of 'stretching' at the start of the seventh inning has become almost universal and almost as much a part of the ceremony as is the tea interval at cricket. There are variations. In some cities the fans stand a dawn widely, 'stretching' before resuming their seats. In others everyone takes out a handkerchief and brushes his hat and clothes until the flapping of a hundred chiefs makes an astonishing amount of commotion. The custom is based on the superstition that the seventh is lucky. You may prove it by figures, if you so desire, although I believe the cause and effect is reversed. The fact is that a larger percentage of baseball games are won and lost in the seventh than in any other inning. I examined 860 scores last winter to study this phenomenon, and discovered that 184—over a fifth—were decided in the seventh inning; an abnormal number. But a further study of the figures convinced me that superstition is responsible for the 'luck' rather than the other way round. For the home team won in 151 out of the 184 games, proving, to my satisfaction at least, that the rooting of the crowd does effect visiting players. It is evident that the custom of rooting wildly for the break to come in the seventh inning has the effect of shaking the nerve and confidence of the opposing teams and from a study of those 148 scores it looked as if the effect was principally upon the pitcher."

Cynthiana's New Postmaster.

Mr. L. M. Lebus has been appointed by President Taft as the successor of Mr. G. M. Dickey as postmaster of Cynthiana. The appointment has been pending since last March. Mr. Dickey is a popular citizen, and has made a good postmaster. He is a brother of Mr. John Dickey of Paris. His successor is a son of One Lebus and is twenty-one years of age.

Opposition to Powers Gaining Strength.

The opposition to Congressman Calhoun Powers in the Eleventh District seems to be gaining strength daily. Among those seeking to run against him are Judge Charles E. Herd and Representative Eugene Asher, of Middlesboro; A. T. Siler, of Williamsburg; H. H. Asher, of Pineville and Judge L. W. Bethurum, of Somerset.

Progressives to Organize.

The call for the formation of a Progressive party organization in Louisville was made Friday by Mr. Leslie Combs, representing the national organization of the Progressive party. A similar organization will be made in every district in the State.

The meeting in Louisville will be open to all voters who indorse the new Progressive party views, no matter what their previous party affiliations may have been.

The organizers hope to have a national leader of prominence make the big speech of the convention, which may be held in Phoenix Hill.
